## NO BOASTING. BE THANKFUL AND SERVE

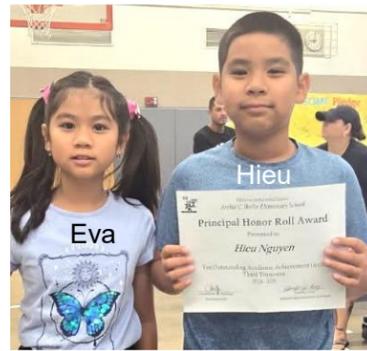

### Be Thankful by Hieu Nguyen

I feel very happy for finishing 5th grade with straight A's and receiving the Principal Award. I am grateful to many people. My parents wake up early every day to get me to school and remind me not to waste time on games. My teachers at school and at church inspire me to do my best. I am most thankful to God for giving me the ability to learn and good health. May God help me use my talents to help other people and honor my parents who dedicate their life to my success. *Hiếu biết ơn Chúa, cha mẹ, và thầy cô đã giúp Hiếu. Hiếu hy vọng sẽ giúp người khác và báo hiếu cha mẹ.*

The arrogant King Nebuchadnezzar was ruined like a chopped tree until he acknowledged God rules. Sau khi Vua nói: "Bàn tay ta làm ra tất cả", Chúa hạ Vua xuống như Cây to bị chặt xuống

## USE GENTLE WORDS Lời Nói Êm Dịu

A gentle answer turns away wrath ...  
Lời đáp êm nhẹ làm người cơn giận...  
(Proverbs 15:1)

Words matter. Say kind words to everyone. It is mean to tease or call people names. Say sorry when we accidentally hurt someone's feeling. Never boast. Use our skills to serve. Remember to thank God, parents, and those who help us grow... *Hãy nói lời tử tế với mọi người. Hãy xin lỗi khi vô tình làm tổn thương người khác Tránh chê bai người khác. Đừng bao giờ khoe khoang. Dùng khả năng mình có để phục vụ. Hãy nhớ ơn Chúa, cha mẹ ... by CôNa*

### Use Our Skills to Serve by Nathan Nguyen

When my brother is slow to understand, I would be responsible and take time to explain to him. I teach him tricks that I was taught to make it easier for him. I try to keep him capable and prepared for the future. It is important to be helpful.

CAN WE CHOOSE TO SAY KIND WORDS?

Chúng Ta Có Thể Chọn Lời Nói Êm Dịu Không?

Say something nice

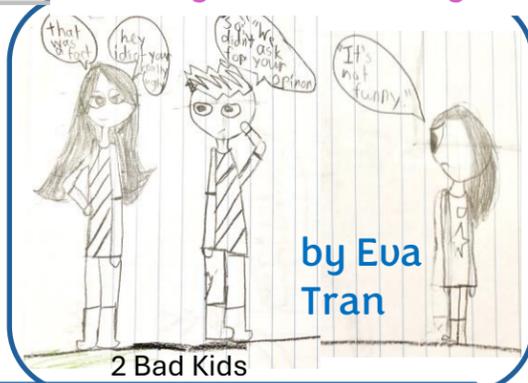

by DieuNgan Duong

When my brother makes fun of another person, I would stop him. I would tell him to go away. I would say that making fun of someone is wrong because it would hurt their feelings.

2 Bad Kids

Bad Kid and Good Kid by Eva Nguyen

**First example**, a bad kid teases the hurting kid. The bad kid is pointing at the hurting kid and says mean words. The hurting kid feels bad. **Second example**, a good kid sees a sad kid, comes over and asks "Are you ok?" The good kid says "Do you need anything?" The good kid cheers up the sad kid by playing together, then the sad kid becomes a happy kid. **In conclusion**, let's be a good kid !!

Chúng ta hãy làm người tốt: nói lời êm dịu và chơi với bạn.
